

Good Evening!

I am Charlie Curnyn from Winnebago Public School. I am here to represent the Lewis and Clark Conference as Winnebago is the President of the Conference this 2012-2013 school year.

This year the Lewis and Clark Conference has decided to have the conference schools nominate a person from their community to be recognized for their contributions and their volunteerism to their school.

The conference has named this award the "Jim Winch Service Award". Jim was the Athletic Director of Winside Public School for many years and was very active with the Lewis and Clark Conference.

This award will be presented annually at the Lewis and Clark Conference Basketball Championship Games.

This year 5 people within the Lewis and Clark Conference have been nominated for this annual award.

Leon Koch – Winside

Connie Weeder – Osmond

Steve Martini – Hartington

Steven Kearnes – Winnebago

Dennis Cady – Walthill

The Jim Winch Service Award to these fine people is in special recognition for community service who have given years of service to assist school staff and those students served by the school's activity program. Your dedication and time are appreciated by your school and the Lewis and Clark Conference.

Let's give them a big thank you for their service---Applause
